- Ability to process Voyager and Wright Express
- Internet processing available
- Ability to accept Discover, AMEX or Diners Club for a 15¢ authorization fee

Process telephone, fax, & mail order transactions

Using web-based software, process transactions on your computer using your login number and password - no need to invest in expensive equipment. All transactions are processed online through the Virtual Terminal's secure portal. Cost of this Virtual Terminal option is \$100. A secure card reader can be purchased for your computer for \$150 if you are also going to process face-to-face transactions.

Wireless terminal

Vx610 Verifone Terminal - wireless portable solution that processes transactions on site. Cost of terminal: \$850. In addition to processing fees, the wireless costs are \$25 for set-up, and an \$18 monthly fee in addition to \$.05 transaction fee. This terminal uses the Verizon Network, and works only in Verizon's access areas.
