Non Profit

How do you know the nominee(s) *

- We have a business relationship

1. Provide information about the nominee(s). *

The Brookings County Youth Mentoring Program (BCYMP) creates opportunities for community leaders to mentor our youth to ensure all youth have the guidance and support of a caring, stable adult. Outside of their efforts with the youth, the organization does an amazing job representing our Brookings area communities, attending events, and helping as much as they can with their small team.

2. What makes the nominee(s) special or unique? *

The BCYMP is unique because of the impact they make with their small team. They help find mentors for our students, and we believe students having mentors will help guide our future leaders and workforce to reach their full potential.

3. Why should the nominee(s) be considered for the award? *

Their youth efforts are noticed by our community, and we believe they should be recognized for all they do!

4. What organizations is the nominee(s) involved in? (Community projects, volunteer work, financial contributions) *

They are a nonprofit themselves, but they also are very involved with their local Chamber of Commerce and Brookings area community.
