SPECIAL INVITATION TO SDRA MEMBERS

Surely hope you're planning to be in Pierre on January 27 to help us act as hosts to the LEGISLATORS on that day. The Governor has been invited, and he is hopeful of being able to spend some time with us. Don Barnett, President of the South Dakota Consumers League, and Jack Devany, Commissioner of Consumer Affairs, have agreed to discuss various legislative matters with us.. Hearing from these two men will make your trip worth the effort.

SDRA LEGISLATIVE PROGRAM

The session is half over and the bills which implement our legislative program (R-B-R) have not been moved out of committee. It is always a measure of satisfaction to know that a bill you want has not been killed, but it is not much solace to know that it is blissfully resting in a committee. It is about time that we made our move. Your individual assistance is needed and will be most welcome.

SDRA AREA COORDINATORS

Now is the time to ask other SDRA members and other retailers to make contacts with legislators. Most legislators welcome hearing from those who elected them. They welcome the information you can give them.

WHAT TO DO NOW

Check with Legislative Bulletin #2. The fate of our bills is in the hands of the TAXATION and COMMERCE Committees of both Houses. Names of committee members and bill numbers were listed in #2. Phone numbers have been furnished.

Hope to see you in Pierre on Thursday, January 27th.
