## BUSINESS INVENTORY TAX REPEAL

We need your help and action!!

House Bill #527, introduced by Representatives Kenneth Kauth of Huron and Larry Stalheim of DeSmet, which calls for repeal of the Business Inventory Tax, comes up for consideration in the House Taxation Committee on Wednesday afternoon, at 1 P.M., January 12. The SDRA State Affairs and Tax Committees will be attending the hearing. We would be pleased to have you attend also.

## TAX COMMITTEE MEMBERS HOUSE

Please contact members of the House Tax Committee in person, by phone or letter, urging them to give our bill favorable support.

Committee members are: Charles Larkin (Chm.), Larry Stalheim (V. Chm.), Fred Kaufman, Walter Miller, Dorothy Nepstad, George Kirk, James Dunn, Ed Hadd, Ira Elwood, Bert Ellingson, Burt Anderson, Don Sivertson and Don Tracy.

## HOW TO CONTACT

See your Representative in person when he comes home this week end.

Come to Pierre to visit your Representative.  
Call Pierre, 224-3506 and ask for your Representative.  
Write: Representative \_\_\_\_\_  
State House  
Pierre, South Dakota 57501

## BE PREPARED

Very likely your Representative will ask some searching questions. Be prepared to answer. The material furnished in the January Retail News Bulletin will be most helpful. Read and study before visiting, calling or writing your Representative.

## NO REPLACEMENT NEEDED

Be sure to point out that it will not be necessary to impose a replacement tax. Other states have taken the lead and furnish ample evidence that this visionary legislation is successful. Replacement revenue automatically comes from increased investments in real estate and increased sales tax revenue.

Directly opposite the city is listed the name of the SDRA member who has been selected as the Area Coordinator for legislative matters during this 1972 Legislative Session.

The left hand column under each city lists the legislators from that area.

The right hand column under each city lists the names of some of the SDRA members from that area. Obviously, there are other SDRA members in each locality as well as other retailers. Retailers are interested in all, or part, of the SDRA program.

Possibly some retailer from a particular area will be acquainted with, and wish to contact, legislators from other areas. Surely feel free to do so. Let's leave no stone unturned.
